All issues between Plaintiffs and Defendant have been resolved in accordance with a written Agreement entered into between the parties on September 21, 2005. As part of that Agreement, additional persons were to be added as named Plaintiffs in this suit. Inasmuch as several motions and agreed orders have been submitted to the Court containing the names of various Plaintiffs, the parties would offer to the Court the listing of names reflected in this Joint Motion as the full, complete and accurate listing of all named Plaintiffs, whose claims have been resolved.

Accordingly, the parties move the Court for permission to enter an order listing the individuals contained in this Motion as named Plaintiffs whose claims are asserted in this litigation.

Respectfully submitted,
